Our Suppliers

Kingfisher

Based in Brixham, located next to the world famous Brixham Fish Market, Kingfisher supply fresh fish and quality seafood across the South West.

Jurassic Coast Meats

Jurassic Coast Meats (Fossil Farm) was established in 2008 by the Sealey family to market their English Rose Veal reared on the family farm. Eric, Liz and their son James run the farm specialising in English Rose Veal and grass-fed, free-range Aberdeen Angus Beef.

West Country

Established in 1856, the business is built on an unrivalled network of dedicated high quality local vegetable and fruit growers as well as links with national and international fresh produce markets.

Trill Farm

Local, seasonal and organic – perfect!
